AGENDA ITEM 10.B.

Date: December 5, 2024

From: Krystle Heaney, Executive Officer

Subject: **Status of Current and Future Applications**

The Commission will receive an update on the current status of applications and provide direction to staff as necessary.

BACKGROUND

LAFCOs are responsible, under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, to regulate the formation and development of local governmental agencies and their municipal services. This includes approving or disapproving proposed changes of organization, such as boundary changes (e.g. annexations), consistent with adopted policies and procedures pursuant to California Government Code (G.C.) §56375. LAFCOs have broad discretion in amending and conditioning changes of organization as long as they do not directly regulate land use, property development, or subdivision requirements.

DISCUSSION

The following application(s) are active with LAFCo:

- Proposed SOI Amendment and Annexation to CSA #8 (Palo Cedro): The proposal includes two parcels (APNs: 059-390-003 & 059-390-002) along Deschutes Road totaling approximately 5.4 acres. Both parcels are outside the existing CSA #8 SOI but adjacent to the northwesterly jurisdictional boundary. Surrounding land uses include rural residential, commercial, and planned development. Currently, the southern parcel has a single residential structure, and the northern parcel has one larger residential and multiple smaller structures. The applicants are requesting annexation to CSA #8 in order to obtain wastewater services for their properties. Water services are currently provided by Bella Vista Water District and no change of provider is proposed as this time. Until additional items are received, the application is considered incomplete and will remain on hold.
- Shasta Fire Protection District Formation: The Shasta FPD formation was approved in October 2022 by Resolution No. 22-14 and the Certificate of Completion was recorded on September 10th. The District paid its outstanding application fees and the final filing was submitted to and accepted by the Board of Equalization. As such, the application process is considered complete.

RECOMMENDATION

Staff recommends the Commission receive and file this report and provide direction to staff as needed.
